

## KILTA AND MINI-KILTA

DESIGN OLLI MANNERMAA

Kilta is Olli Mannermaa's Finnish design classic, which was relaunched at the Stockholm Furniture Fair 2014 in February.

The Kilta and Mini Kilta chairs are perfect for a wide range of uses from conference facilities to waiting rooms, cafes and work stations. The new Kilta chairs are now also available with a castor base with height adjustment and a swing mechanism.

The two- or three-tone upholstery opens up limitless possibilities for creating interesting and inspiring colour schemes with this timeless classic. The multi-coloured version of Kilta has been available from the very beginning, making it a true retro classic!

The Kilta chair's ground-breaking manufacturing technology made it Finland's first plastic chair and it has featured in Martela's collection since 1955.
